SUBJECT INDEX TO VOLUME 155

January-December 1990

A

- Accident, prevention, 20
- Acne, pseudo-tumor cerebri and, 511
- Acquired immune deficiency syndrome
 - see also Human immunodeficiency virus
 - interactive media for prevention, military community, 235
 - Kaposi's sarcoma, gastrointestinal manifestations, 23
- Adenocarcinoma
 - lung, pulmonary thrombosis and, 62
 - primary, appendix, 343
- Adenoid cystic carcinoma, trachea, pseudo-angina pectoris and, 440
- Airborne tactical medical support, Grenada, 104
- Aircraft carrier battle group, peacetime surgery in, 332
- Alcoholics, active duty and veterans, 334
- Allograft, bone, salvage for complex bone loss, 316
- Alpha-fetoprotein, maternal serum, guidelines for screening program, 468
- Ambulatory care, data base, U. S. Army, 181
- Ameloblastoma, mandible, 435
- Anesthesia
 - combat, nerve agent pretreatment interaction with drugs, 527
 - machine, military field, 66
- Angina pectoris, pseudo-, adenoid cystic carcinoma of the trachea and, 440
- Angioplasty, percutaneous transluminal coronary, myocardial infarction during, 565
- Ankle, injuries, softball, Yokota experience, 3
- Anthropometric characteristics, body mass index, 120
- Appendicitis, acute, medical management in nonsurgical environment, 345
- Appendix, primary adenocarcinoma, 343
- Armored vehicles, crew casualties, 417
- Army Physical Fitness Survey, 1988 active, 579
- Army reserve hospital, mutual support, mobilization preparedness and, 379
- Atropine, dose-dependent changes induced by, spontaneous electroencephalography, 166

B

- Bacterial infection, incidence, transfusions and, 337
- Bacteriuria, asymptomatic, pregnancy, urine pH screening in, 49
- Ballistics, wound, assault rifle injuries, 222
- Battle dress uniform, soldier performance, nerve agent antidote and heat exposure effects, 159
- Battlefield, modern, mass casualties, editorial, 186
- BDU, see Battle dress uniform
- Behavior problems
 - health, positive and negative, weight control program and, 255
 - parental self-assessment and, preschool children, 148
- Biliary tract, melanoma, 5
- Biological warfare, behavioral and psychological responses, 54
- Blastocystic hominis infection, signs and symptoms, 394
- Blood
 - freeze-dried, editorial, 512
 - gas/pH, environmental testing, 511
- Blood chemistry, anabolic steroid users, 72
- Blood products, hepatitis A virus-infected, 241
- Blood transfusions, bacterial infection incidence and, 337
- Body mass index, fitness, performance and anthropometric characteristics, 120
- Bone, complex loss, massive allograft for, 316
- Burns, Lebanon war 1982, 130

C

- Calcium, malabsorption, thyroparathyroidectomized woman, 156
- Camptocormia, 561
- Cancer
 - see also specific type and site
 - colorectal, active duty population, 47
 - esophageal, unresectable obstruction, 324
 - gynecologic, subclavian catheters in, 480
 - oncogenes in, 83
- Carbon monoxide, poisoning, methylene chloride-induced, treatment with hyperbaric oxygenation, 570
- Case for diagnosis, 87, 138, 618
 - solution, 90, 140, 622
- Ceftazidime, treatment, pseudomonas aeruginosa meningitis, 264
- Cementoblastoma, benign, 567
- Chemical protective clothing

- cholinergic and oxime therapy, heat exchange after, 390
- soldier performance, nerve agent antidote and heat exposure effects, 159
- Chemical warfare, behavioral and psychological responses, 54
- Children
 - lateral condyle fractures, diagnosis, 433
 - preschool, parental self-assessment, 148
 - preschool American, Philippines, parasitism in, 585
- Cholelithiasis, jejunal perforation, surgical implications, 42
- Cholinergic therapy, heat exchange after, protective clothing, 390
- Colon, cancer, active duty population, 47
- Combat casualty care
 - Afghanistan, 231
 - basic and advanced, 229
 - experience of chief of surgery, 227
 - general surgery, 228
 - medical readiness training, 214
 - neurosurgical management, 220
 - priorities in trauma care, 217
 - training medics for environment of tomorrow, 232
 - vascular injury recognition, 225
 - wound ballistics, 222
- Combat stress disorders
 - Air Force, 515
 - assessment, Army family practice residents, 539
- Computerized tomography, intramuscular metastasis, 308
- Conjunctivitis, incidence and etiology, Navy recruits, 1
- Cytomegalovirus infection, seroepidemiologic study, Canadian recruit population, 489

D

- Day care, sick child unit, military hospital, 610
- Delayed sleep phase syndrome, criminal offense in military, 14
- Dental Corps, Army, leader development in, 465
- Dependent care, World War II, 45
- Diabetes, insensitive foot, management of, 575
- Diabetic ketoacidosis, recurrent, adolescent and preadolescent, group psychotherapy, 351
